Verification is a process mandated by the U.S. Department of Education requiring schools to verify self-reported data provided on the Free Application for Federal Student Aid (FAFSA) for accuracy to ensure students receive the maximum aid for which they are eligible. The Financial Aid Office is in the process of reviewing your application for financial aid. Federal Law requires us to verify the family size reported on your 2024-2025 Free Application for Federal Student Aid (FAFSA). Financial aid will only be awarded once the verification process is complete.
