

SUMMER 2024 FINAL EXAM SCHEDULE

How to Read the Exam Schedule:

- Courses with a beginning class meeting time that falls within the times noted below have their exam at the prior time indicated. For example, a class with a beginning course meeting time of 1:30 p.m. would follow the exam schedule for the 1:15pm course meeting time.
- Courses with multiple meeting patterns (MMP) receive a scheduled exam date and time for *each* meeting pattern. The instructor will determine which one of the meeting patterns the exam will be administered. For example, a class meets on M 10:10 am and R 2:30 pm. The course will receive two separate exam times, one that follows the M only schedule and one that follows the R only schedule. The instructor may decide to hold the exam on Monday 8:00a.

Note: The room assignment for an exam may be different from the regular class meeting room. Be sure to view the Detailed Final Exam Schedule for room assignments when it becomes available.
