

SPRING 2025 FINAL EXAMINATION SCHEDULE

General Course Exams: May 2nd; 5th - 8th

Common Exams: May 2nd and 3rd

(Exams for Saturday classes will be held on May 3rd)

How to Read the Exam Schedule:

- Courses with a beginning class meeting time that falls within the times noted below have their exam at the prior time indicated. For example, a class with a beginning course meeting time of 1:30 p.m. would follow the exam schedule for the 1:15pm course meeting time.
- Courses with multiple meeting patterns (MMP) receive a scheduled exam date and time for *each* meeting pattern. The instructor will determine which one of the meeting patterns the exam will be administered. For example, a class meets on M 10:10 am and R 2:30 pm. The course will receive two separate exam times, one that follows the M only schedule and one that follows the R only schedule. The instructor may decide to hold the exam on Monday 8:00a.

First Half Term exams are held on the dates provided in the [Academic Calendar](#). Select the Spring First Half Term heading. Delivery and location of the exams may be determined by the instructor.

****Note:** Exams for courses held at the Dubois Center/Uptown campus may differ from the published final exam template. Also, the classroom assigned for final exams may be different from the classroom scheduled for the term. Be sure to view the Detailed Final Exam Schedule for room assignments when it becomes available.
